

Base map information including bathymetry was compiled by the National Ocean Service (NOS). Bathymetry obtained from NOS hydrographic survey data (see index) which comply with International Hydrographic Organization (IHO) Special Publication. All accuracy statements on this map are for the date of the survey. This information is not intended for navigational purposes.

Universal Transverse Mercator (UTM) Zone 18, UTM Merit Ticks 1-4 are shown inside the map frame.

Difference between survey data, printed in red, compiled by the Minerals Management Service. Heavy lines indicate limits of AMM Outer Continental Shelf Official Protraction Diagrams. The protraction on this map are not for Federal Licensing purposes. For such purposes refer to the OCS Official Protraction Diagram available from the Minerals Management Service.
