# BATHYMETRIC MAP

GULF OF MEXICO  
PULLEY RIDGE

Base map information including bathymetry was compiled by the National Ocean Survey (NOS). Bathymetry compiled from NCS hydrographic survey chart (see index) which comply with International Hydrographic Organization (IHO) Special Publication 44 currency standards as those used at the date of the survey. This information is not intended for navigational purposes.

Universal Transverse Mercator Grid, Zone 17, 10,000 Meter Ticks (0 are shown inside the map).

Other information survey data, printed in red, compiled by the Bureau of Land Management. Heavy lines indicate limits of Bulk Ship Generalized Bathymetric Projection Diagram. The projections on this map are not for Federal Laying purposes; for such purposes refer to the OCS Official Projection Diagram available from the Bureau of Land Management.
