BATHYMETRIC MAP

ATLANTIC OCEAN
CHATHAM

Base map information including bathymetry was compiled by the National Ocean Survey (NOS). Bathymetry compiled from NOD hydrographic survey data (see index) which comply with International Hydrographic Organization (IHO) types of Publication 44 accuracy standards or those used by the State of the survey. This information is not intended for navigational purposes.

Universal Transverse Mercator Grid Zone 18, 18QDD Meter. Easting (E) and Northing (N) are shown inside the mapline.

Offshore navigation survey data, printed in red, compiled by the Bureau of Land Management. Heavy lines indicate limits of BLM Outer Continental Shelf Offshore Navigation System. The projections on this map are not for Federal Laying out purposes; for such purposes refer to the DCS Offshore Navigation System available from the Bureau of Land Management.
