

For more information including bathymetry, see the National Ocean Service (NOS) Bathymetry, compiled from NOS hydrographic surveys supplemented by bathymetric information from other sources (see index). NOS hydrographic survey data complies with International Hydrographic Organization (IHO) Publication M. All errors, omissions or those used at the date of the survey. This information is not intended for navigational purposes.

Universal Transverse Mercator Grid, Zone 18, 300000 meter interval (1:1) are shown inside the coastline.

Offshore jurisdiction limits, shown in red, compiled by the Minerals Management Service. Heavy lines indicate limits of MMS Outer Continental Shelf Offshore Production Program. The projections of this map are not for Federal Leasing purposes, for such purposes refer to the OCS Offshore Production Diagram available from the Minerals Management Service.
